ATTN OF: SCMCC-3

SUBJECT: (U) Substandard Facilities - Test Site Nr. 2

TO: AFTTC (FTOP)
Edwards AFB Calif

1. (U) Reference SECRET letter, Hq AFTTC (FTOP), Subject: (U) Substandard Facilities - Test Site Nr. 2, dated 29 March 1961.

2. (S) A determination has been made that the sensitivity of Project precludes relocation of the mission to Edwards Main Base Facilities.

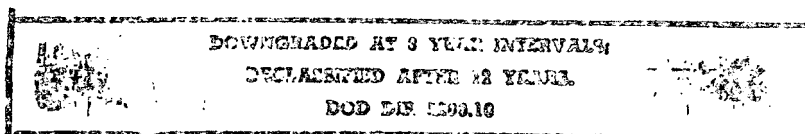

3. (U) It is not the desire of this headquarters, however, to enter into a major rehabilitation program for Test Site Nr. 2 that would tend to upgrade the North Base facilities. Any rehabilitation or major maintenance program undertaken should be determined and evaluated on the basis of providing sufficient facility for the assigned mission as dictated and projected by mission requirements.
